Policies

1. Commitment: Enrolling in a Sound Beginnings class with Mrs. Leslie is a 15-week commitment. Mrs. Leslie and other class participants work hard to prepare for the class and attend, to collectively contribute to this wonderful experience.

- It is understood that if an enrolled family chooses not to participate, they will not receive refunds for tuition, missed classes, the registration fee, or materials, and may ultimately forfeit their spot in class.
- Dropping out of class during the middle of a semester will incur either a drop fee from Mrs. Leslie, OR the requirement to pay the remaining semesters' tuition, whichever is fairly decided upon by Mrs. Leslie and the respective family.

2. Tuition: is as stated, under the cost section of this page. Tuition may be paid:

- in full at the beginning of the semester OR
- in 4 monthly payments of \$60 for a single student, and \$20 per additional enrolled sibling.
- \$5 drop-in fees are due at each class, in addition to a signed liability waiver.

Tuition for the full semester is due at the first class of the semester, however, arrangements for monthly payments may be made. A late fee will be applied automatically to any payment received after the specified due date on the invoice. All payments are non-refundable. There will not be refunds given for missed classes or discontinuing the program.

3. Sickness: If a student or caregiver is sick with a fever, vomiting, or has any signs of a cough, runny nose or contagious cold, flu, rash, etc., please do not come to class. Arrangements can be made to get you any important class material that was missed.

4. Attendance:

- All classes must be attended unless in the case of sickness or emergency. Vacation plans must be communicated with Mrs. Leslie in advance, so special arrangements can be made.
- Please make arrangements to attend another class time within the same week, if there is no way to avoid missing a class.
- Other make-up classes are not available.

5. Parental Role:

- Parents agree to come to every class and be active in singing, playing, dancing, and engaging in every way possible with their little ones. This is essential in developing trust between parents/caregivers and the child, and between the child and Mrs. Leslie.
- The parent/caregiver must have their phones silent and put away during class, unless taking photos/videos.

6. Parking: Please park in the driveway, or along the private road. Do not block traffic or park in the neighbor's driveway. Do not park in front of the gate at the base of my front lawn (this belongs to the neighbor).

7. Liability: Mrs. Leslie works hard to maintain a safe teaching environment. Sound Beginnings does involve a lot of physical play and movement. By registering in the program, caregivers accept full financial liability for any incident or injury that can possibly happen to their child(ren), themselves, or any guest accompanying them while on the Wilson property. They release Leslie and David Wilson or any of their children, as well as all class participants from all liability.
